TEMPORAL INTERVAL SPECIFICATION & TECHNICAL VALIDATION

- Interval semantics: [valid_from, valid_to). Coverage was active from valid_from through 23:59:59 prior to valid_to.
- Example: Coverage with valid_from 2026-01-01 and valid_to 2026-01-15 is active Jan 1 through Jan 14 inclusive.
- Historical queries evaluate date_of_loss against this interval regardless of subsequent vehicle removal dates.
